## Norman Hunter Writes

Good afternoon Ladies and Gentlemen and a warm welcome to our friends from Bolton Wanderers.

It's been a very hectic week on the transfer front with Dean Emerson leaving for Coventry City. I'm very sorry to see Dean leave, he's been a marvellous player for the club, but we just couldn't stand in the lads' way of first division football.

We have signed from Coventry, Gareth Evans and Andy Williams, both have first division experience and indeed Andy was substitute last Saturday. We also received money in the deal which is vital to the club, so Dean had to take his chance. We all wish him the very best with his new club.

Another new face is Tony Philliskirk who has joined us on a month's loan from Sheffield United. We haven't given them a lot of time to get into the swing of things, but hopefully things will work out right this afternoon, and let's hope that at twenty to five we all have something to smile about.

# Days Gone By...

## ALAN KIRKMAN STATUS-SAVER

Early in 1959, Millers' manager Johnston was anxious to strengthen the team struggling near the bottom of Division 2 and watched Manchester City reserves with a view to signing an experienced player, but it was the young Alan Kirkman who caught his eye.

The player was obtained for a fee of £4,000 and, on his debut on 21 March, scored the goal which beat Sheffield Wednesday. Three weeks later, in an evening game against Sheffield United, he was injured early in the second-half but while limping on the wing scored the equaliser to earn another precious point. On the following Saturday he clearly was not sufficiently fit to play but had already established such influence on the team that he was included against Lincoln City. He could hardly run, but inspired the team to a rather undeserved victory and the points ensured the Millers remained in the Second Division. His most memorable game was on 16 January 1960 in the second replay of the 3rd Round FA Cup-tie when Arsenal were beaten 2-0 - on that evening he gave a superb display at outside left and carried the marks of a future Millmoor Manager's defensive style for weeks afterwards. And he later became the scourge of Leeds United - in 4 consecutive Millers' victories scoring 7 goals, beginning with a hat-trick at Elland Road on 2 September 1961.

In September 1963 he was transferred to Newcastle United for £12,000 and, in December, he joined Scunthorpe United. Two seasons later he moved to Torquay United and was a member of the 1966 promotion side, and in January 1967 was transferred to Workington Town and stayed

18 months before leaving the full-time game and returning to his home town of Bolton. Seasons 1968/70 were as player/manager of Netherfield in the Northern Premier League, followed by two seasons with Rossendale in the Cheshire League. While there in 1972 a broken leg ended his playing career but he was then appointed manager. In 1974 his team won the Cheshire League Cup and Lancashire non-League Floodlit Cup, and as only an inferior goal average denied it the Cheshire League championship it was not surprising he received the Manager of the Year award. He later managed Horwich RMI and in 1979 again received the Manager's accolade when Horwich won the Cheshire League championship. He is now in his second spell at Horwich, having taken charge again in January 1985. The team was then doing badly in the Multi-part League but he pulled things round sufficiently for it to end the season in a reasonable 7th position and win the Lancashire non-League Dairy Crest Cup.

Alan Kirkman was a player in the Football League for 12 years and is currently continuing an exceptionally successful career in non-League management. During 143 games for Rotherham United he scored 58 goals and played in every forward position and is specially remembered for the great impact he made on his arrival at Millmoor in the spring of 1959 which transformed an apparently doomed, dispirited bunch into a tigerish win-or-bust team which fought its way from almost inevitable relegation.

# With the Reserves

## **ROTHERHAM RESERVES - 5 BRADFORD CITY RESERVES 2 - Dave Nicholls Reports.**

In a most entertaining game at Millmoor the young Millers really showed the way to goal. Bradford City were a goal in front within seven minutes of the start, however it didn't take long for Rotherham to start looking positive upfront. Paul Haycock took a pass from Andy Morris to level the scores with a good shot, and some eight minutes later, the same player cut in from the left and unleashed a tremendous shot into the roof of the net. Haycock again showed up well when he skipped round a defender and crossed superbly for big Andy Morris to rifle in the third. Rotherham had Shaun Goodwin and Nigel Pepper booked early in the second, but this didn't stop the Millers from maintaining their pressure. Morris rounded the keeper but saw his effort cleared. After 20 minutes of the half, Greg Burrows headed the fourth from a free kick, a good header this from about fifteen yards. Two minutes later Rotherham won a corner on the left and Ray Warburton who was impressive all night at the back, planted another header into the bottom corner.

Nigel Pepper then had an effort cleared from under the bar. Bradford continued to make this a very watchable game, with Aidey Thorpe having a particular good game, he really is a sharp little player. With a couple of minutes remaining the Lancashire cricketer 'Steve O'Shaughnessy' who wore number five for City scored their second with a great 25 yd. shot into the top corner. There was still time for Andy Morris to have a goal disallowed and get himself booked in the final minute.

## **JUNIORS 2 - YORK CITY 0**

After last weeks 4-3 away victory over high-flyers Newcastle the Juniors travelled to York and put in another superb team performance and came away with both the points in a 2-0 victory. The Juniors were always in control, and after 25 minutes a superbly taken free-kick by Ian Dennis found Ray Warburton who side footed home. It stayed 1-0 until the second half when continuous pressure finally saw Ian Clarke cleverly lob over the City goalkeeper after being put through by Kevin Eley. Giles Newcombe was never really troubled as the Juniors went marching on.

## **BARNSELY RESERVES 2 - MILLERS RESERVES 0**

Rotherham had plenty of early possession but didn't manage to trouble Clive Baker in the Barnsley goal. Baker was one of many players with plenty of 1st team experience playing for Barnsley, others were Paul Fletcher, Paul Cross, Ian Chandler and Roger Wylde and it was he who put the Oakwell side in front with a super shot from the edge of the box. The Barnsley Centre Half was very lucky not to be booked with two very heavy tackles, one on Andy Morris and a nasty looking challenge on young Millers keeper, Giles Newcombe. Barnsley had one or two other chances before the break but a marvellous double save by Newcombe kept the Millers in the game. Rotherham were again enjoying a lot of the ball with John McGinley looking very positive up front and from one of his crosses Andy Morris just failed to put Rotherham level. Ray Warburton was having a tremendous match at the back for Rotherham, can a 1st team spot be far away? A corner ten minutes from time gave Barnsley their second goal when Duggan headed in off a post. The young Millers were still battling hard and in the last minute should have pulled a goal back from the penalty spot. Kevin Eley was fouled in the box, but Martin Scott's powerful shot was brilliantly saved by Clive Baker.

## ROUND ABOUT THREE WITH DAVE NICHOLLS

Pride of place this week must go to BLACKPOOL who moved into second spot in the league with a very professional performance away at MIDDLESBORO. In front of over eleven thousand fans TAYLOR soon put the Tangerines in front after only six minutes. They maintained this lead until the break. Within fifteen minutes of the restart the score was 3-0 with TAYLOR again and STEWART scoring. Stephens pulled a goal back with 15 minutes remaining but BLACKPOOL maintained their impressive undefeated away form with three treasured points. MANSFIELD moved into third spot with seventeen year old IAN STRINGFELLOW scoring the only goal of the game. Ex STAGS player ROBBIE COOKE missed many chances and could have won the game for BRENTFORD. YORK CITY had KEITH WALWYN missing injured, and after their 3-0 defeat in midweek at CHELSEA in the Littlewood's Cup, decided to drop ex MILLERS skipper MICK PICKERING, the result was another 3-0 beating this time at BRISTOL CITY. All CITY'S goals came in the second half from NEVILLE and two from WALSH, another good crowd here, almost eight thousand.

YORK again are finding it tough going away from home. DONCASTER were the better side for most of the match but were beaten by two late goals from ROBINSON, the first resulting from a bad pass from player manager DAVE CUSACK. WIGAN ATHLETIC were leading BRISTOL ROVERS 4-0 at one stage LOWE, GRIFFITHS and HOUSTON two, were their scorers. BRISTOL ROVERS scored three times in the last ten minutes through MEHEW 2 and a TERRY HIBBIT penalty and WIGAN were desperately hanging on. SWINDON were much the better side at CRAVEN COTTAGE and two goals from PETER COYNE and STEVE WHITE were enough to see off a poor FULHAM side. Another away victory was that of PORT VALE'S who beat CHESTERFIELD by four goals to two. EARLE gave VALE an early lead, but CHESTERFIELD fought back and goals by BROWN and CALDWELL put them in front after 57 minutes. VALE fought back with great spirit and two goals from JONES and another from MAGUIRE was too much for CHESTERFIELD who had hit the woodwork twice earlier in the match. JONES who not so long ago was in non-league football is proving a real find and is already attracting 1st Division scouts. Their were two scoring draws in the division. NEWPORT COUNTY hit back from two down to share the spoils with CHESTER. KELLY got both CHESTER goals, with CARTER and VINTNER replying for NEWPORT. Six goals were shared at WALSALL where today's visitors to Millmoor, BOLTON were the opponents. THOMPSON with a penalty and CALDWELL put BOLTON two up before the interval with MOWER and SHAKESPEARE replying for WALSALL early in the second half. ELLIOTT put the visitors back in front only for KELLY to level the scores from the penatly spot. So WALSALL have still to win at home and BOLTON yet to win away. So another day of topsy-turvy results with no side remaining unbeaten. My scouts tell me BLACKPOOL were impressive at Ayresome Park and few very shrewd gamblers from the town have had substantial wagers on them acheiving promotions. I'll wait and see, because so far no side has impressed me. I'm sure the last time we won promotion from division three, there were far more attractive sides around.

## VICE PRESIDENTS' COLUMN

Good afternoon. CAN THE MILLERS BRING US ALL THE HOME 'TODAY LEAGUE' WIN WHICH WE CRAVE FOR? Let's hope so and don't forget to get behind the lads. The winner of the Cannon Assurance Miller of the Match v. Coventry was Daryl Pugh. Despite the awful scoreline at Meadow Lane last week the visit was a very worthwhile outing in a number of ways. Before the match I visited the 'County Club' and was very impressed by its facilities. I hope that the day is not too far away when 'Sockas' returns to being an outlet used to benefit Rotherham United and their supporters. The possibilities for making good use of it seem endless. We could draw 'MILLERS MAYDAY' there when the 1st team are playing away. Speaking of MILLERS MAYDAY, Notts County are launching a similar scheme and a number of their ex-players have joined up to help. I hope that the ex-players of Rotherham United would be willing to show the same spirit and commitment to the Millers cause. I am in the early stages of organising a RACE NIGHT. the date is Friday 20th March, at the Rotherham Moat House, Moorgate, Rotherham. It will take the form of a RACE NIGHT including a Pie & Pea supper and Disco. So keep the date free for what should be a tremendous evening. If you wish to sponsor a 'RACE' the cost of £20 and the HORSES are £5 each. Contact me if you are interested on Rotherham 562382. UP THE MILLERS.

## MILLERS UNITED - UNITE DON'T FIGHT

### What A Day!

Last Sunday we held our 10th Birthday Party at the Main St. Police Station, Banqueting Suite. Our expectations for the day were exceeded when past and present Rotherham Players joined with Junior Supporters representatives from Wigan, Derby, Notts County and Doncaster to help our young supporters celebrate this Anniversary. We were highly honoured by the presence of the Mayor and Mayoress of Rotherham to whom we presented a cheque towards the Mayors Appeal for this year, also a cheque was presented to the Police Swimming Team for their Chanel swim which will go towards the Laser Appeal. Other presentations during the day included a shield presented by ex. P.C. Don Jones who, until his retirement, was the Police Liaison Officer with Millers United. This shield will be given to the Miller of the Year every Christmas and the first name on it is this Year's Miller of The Year, David Dobson. Congratulations David. Another surprise presentation went to our Chairman, Cliff Powell for his tireless efforts over the last ten years in making our Club what it is today. He received a wallet to keep all his money in (he's the only one on the Committee who has any!) and a pen to replace the one he borrowed and lost. Thanks for everything Cliff and see you at the 20th Birthday Party.

It was not really possible to thank all the 250 guests who turned up personally and I would get writers cramp trying to name them all on this page, but our thanks go to everyone who came from all parts of the Country to be with us.

Two special thanks must, however, be given to Chief Superintendent, Nesbitt and Les Cooke for providing the facilities and the catering staff for their hard work throughout the day and we really cannot thank you all enough.

Our raffle prizes were all donated and included an autographed ball from Alan Smith at Sheffield Wednesday, a Hamper from Simco Supermarket, an autographed book from Rotherham United and two cuddly toys from our friend, Vera, plus an autographed Rotherham United Ball. The winning numbers were: 1st - 0187. 2nd - 1033. 3rd - 1079. 4th - 0855. 5th - 0977. 6th - 0427

**Quiz Night:** Don't forget that tomorrow night we are holding our sports quiz to find the most knowledgeable team of Rotherham Supporters. The eight teams competing are: Past Players, Present Players, The Police Team, Derek's Team, The Vice-Presidents' (Defending Champions), 2 Supporters Club Teams and a team from Sheffield Wednesday Supporters. Come and help them along. The start is 7.00 p.m. Doors open at 6.30 p.m. in our Clubhouse down Millmoor Lane.
